

See Everything, Fix Anything

Smart Diagnostic System

COMPASS COMPASS MASTER

COMPASS is your ultimate diagnostic companion, designed for efficiency and precision. Featuring a crystal-clear 10.1" display and powerful performance, it ensures seamless operation for professionals. With J2534 support, it enables OEM software connectivity for advanced diagnostics and programming. Covering a wide range of vehicles, it offers topology mapping, ADAS calibration, and online coding. Plus, with wireless charging and long battery life, you can work without limits. COMPASS-smart, powerful, and built for the future of automotive diagnostics!

J2534 SUPPORT FOR OEM-LEVEL DIAGNOSTICS

Seamlessly connect with OEM software for advanced diagnostics and ECU programming, ensuring full compatibility with manufacturer-specific tools.

*J2534 required additional purchase for Compass

50+ RESET & RELEARN FUNCTIONS

Quick access to Key Programming, ADAS Calibration, Unlocking ECU configurations, Injector Coding, Reset Maintenance Lights and other common maintenance and repair functions

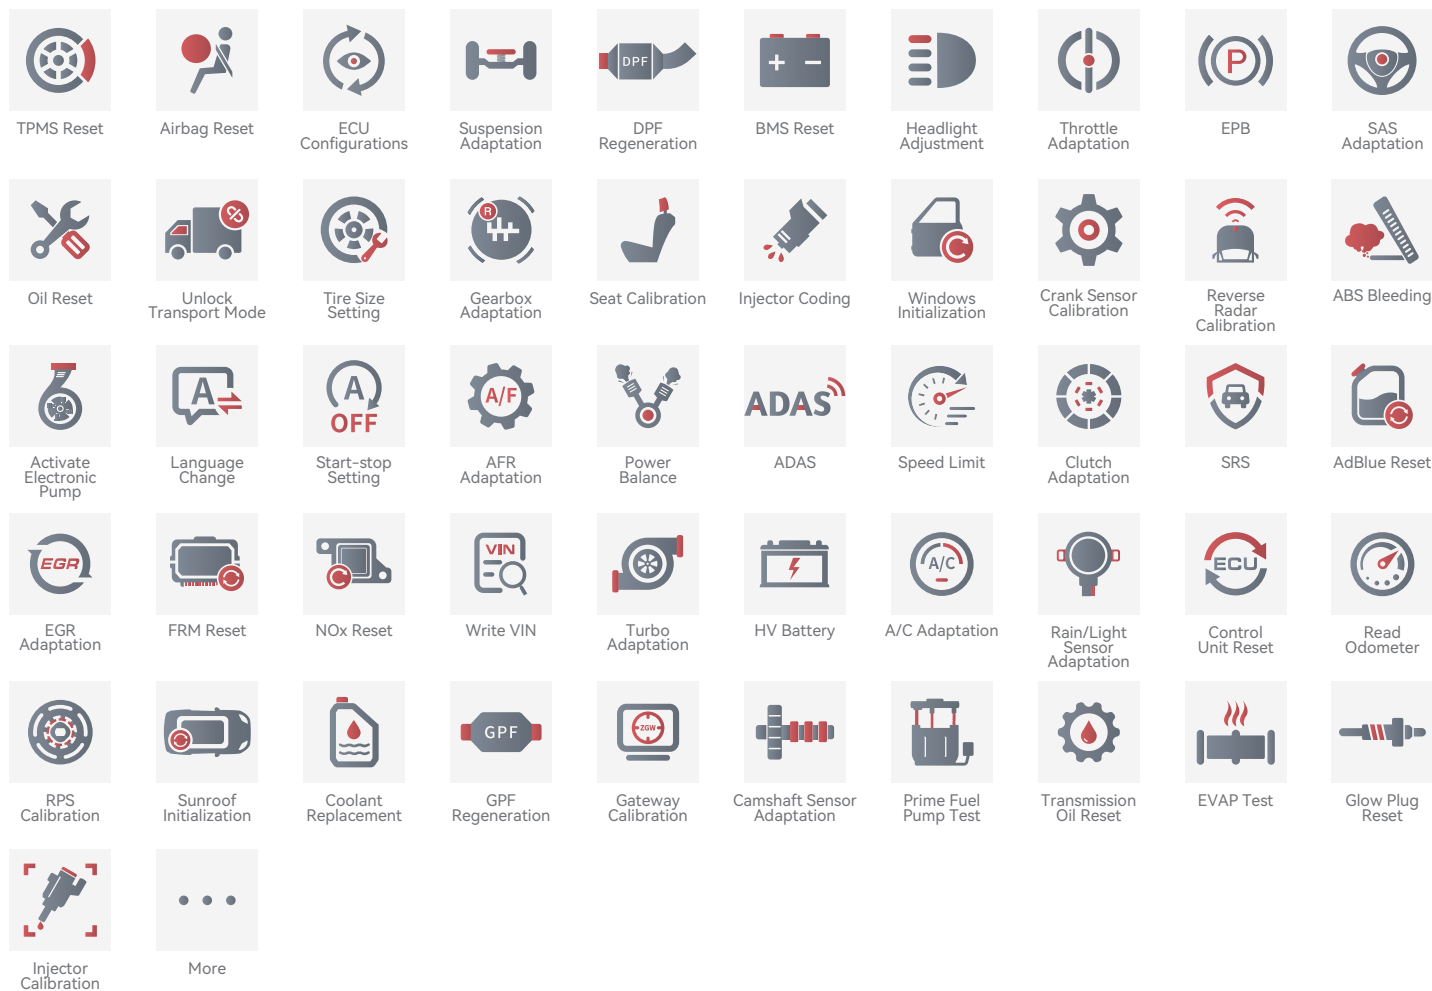

AUTOAUTH™ FOR FCA SGW ACCESS

Unlock secure gateway access for FCA vehicles, enabling advanced diagnostics and programming without restrictions.

COMPREHENSIVE VEHICLE COVERAGE

Supports a wide range of U.S., European, and Asian vehicles, along with ADAS calibration, advanced topology mapping, and online coding for major brands like VAG, BMW, and Mercedes-Benz.

SPECIAL FUNCTIONS

SPECIFICATIONS
